**First National Banker's Bank, Alabama Bankers Bank and Mississippi National Bankers Bank are proud to announce RMH Telecom Consultants as a Preferred Vendor Service to our member banks.**

**March 6, 2007**

RMH Telecom Consulting has 40 years experience in the Telecommunications Industry with operations in 96 cities and is currently managing over \$63,483,000 of their Clients' Telecom expenses. RMHTC is affiliated with the largest network of independent telecom consultants in the U.S. Collectively, they have over 5,200 years of combined experience covering every aspect of telecommunications services including Local, Long Distance, Data Networks, VOIP, Frame Relay, Wireless, and Internet.

RMHTC's Expense Optimization Services are provided on a Contingency Basis and fees are SELF-FUNDED out of the savings. 90% of their Clients reduce their Telecom Expenses by 20-50%.

RMHTC also offers traditional Telecom Consulting services on a fee-basis and all projects are managed using Industry Best Standards and follow an ISO 9000 Quality model. For more information, visit [www.rmhtc.com](http://www.rmhtc.com) or call 228-769-1692.
